Class of 2017 to be Announced December 1

The Board of Directors is currently engaged in the arduous and often agonizing process of selecting the members of its 2017 Induction Class. The Board began its review of the over 100+ nominee applications currently on file on September 1. The process involves all 30 members of the Board and will conclude on December 1 with the announcement of its decision. The Board takes its responsibility seriously and acts with all due diligence. The announcement will be met with joy for the fortunate few and disappointment for the many candidates who must wait another year to be considered again.

Many factors and variables, some subjective in nature, go into the decision-making process. But, by having a selection method that includes 30 Directors, representing a cross-section of the sporting community in Chautauqua County, we believe the system is as fair and free of bias as possible.

CSHOF Golf Shirts Available

The CSHOF recently designed navy blue golf shirts for its Board of Directors. We now have decided to make the same shirts available to our inductees and members. The shirts can have “INDUCTEE” printed under the crest or can be ordered plain without designation.

The soft-collared shirts are “moisture wicking” and are available in men’s sizes small to double extra-large. The price is \$30 plus \$5 shipping/handling. Use the form below to order:
